*WWW:* <http://longevity.stanford.edu/jialu-streeter/>  
*Citizenship:* United States

### SUMMARY

- Ph.D. in Economics with 10+ years of experience in economics research, policy analysis, predictive modeling, and statistical analysis.
- Reliable, easy going, team player, bilingual.
- Track record in project management, program outreach, and grant writing.
- Working knowledge of STATA, R, Tableau, and Python.

### PROFESSIONAL EXPERIENCE

#### **Stanford University, Stanford Center on Longevity, CA**

*Research Scientist, Project Lead, 2016 – present*

- Leading the *Financial Resilience in America* project, which won a grant competition at the FINRA Foundation.
- Leading the *Sightlines Project*, a research project to understand financial security, social engagement, and healthy living in America, which has received news coverage by Forbes, CBS News, CNBC, and the BBC.
- Maintaining a strong connection with the Center's corporate affiliates, such as FINRA, AARP, Fidelity, and Prudential. Identifying mutual interest and developing research collaborations between the Center and the industry.
- Experienced in using economic datasets, such as the Medicare data, the Health and Retirement Study data, the Survey of Consumer Finances, and the National Longitudinal Survey of Youth.
- Conducting research on a variety of topics relevant to the Center's missions:
  - The long-term effect of life events on wealth accumulation trajectories.
  - The price elasticity of demand for prescription drugs in Medicare.
  - Financial and emotional wellbeing in widowhood.
  - The relative importance of private choices vs. public policies in response to COVID-19.
- Organized and hosted conferences and events, attended by academics, industry leaders, and policymakers.

#### **Allegheny College, Economics Department, Meadville, PA**

*Assistant Professor, 2010 – 2016*

- Taught undergraduate economics, probability, and statistics courses.
- Elected by students as one of *the Professors Who Have the Most Impact on Our Lives*.
- Published economic research papers on various economic topics.
- Chaired the College's Institutional Review Board (IRB).
- A founding faculty member of the *China Studies* program.

#### **Center for Econometric Model Research, Kelley School of Business, Indiana University**

*Research Consultant, 2008 – 2009*
